

2018 No Curfew Chardonnay

ABOUT THE WINE: Let's face it, limitations are a drag! So, we looked outside the box for the best unsung vineyards in California to deliver a wine unconstrained by fancy marketing and high price tags. Our refreshing lightly-oaked Chardonnay will quench any thirst, late-night or otherwise. A perfect companion for your post-curfew adventures.

2018 VINTAGE: 2018 was an ideal vintage in every way. A generous amount of rainfall in late winter led to ideal timing for budbreak and flowering. Spring weather was temperate, so fruit set well, and summertime was full of sunny days without any major heat spikes. Beautiful fall weather allowed fruit to mature at a steady pace with no rain pressure. The crop was plentiful, and the quality, outstanding.

WINEMAKER NOTES: Subtle aromas of toasty oak are rounded out by lovely floral notes. Flavors of green apple and a touch of honey appear on the palate, which is bright and crisp. The wine is medium-light in body and has persistent yet balanced acidity.
