

2018 No Curfew Red Wine

ABOUT THE WINE: Let's face it, limitations are a drag! So, we looked outside the box for the best unsung vineyards in California to deliver a wine unconstrained by fancy marketing and high price tags. Our Cabernet is both bold enough for an evening of daring deeds and smooth enough for an evening of relaxed conversation. A perfect companion for your post-curfew adventures.

2018 VINTAGE: 2018 was truly a winemakers' vintage, and the quality of the resulting wines presents itself in bottle. Generous rainfall in February led to a late budbreak and extended flowering period. Beautiful and mild weather throughout spring and summer made for a healthy crop load. With no major heat spikes or weather events in the fall, winemakers were able to patiently wait to pick at optimal fruit ripeness.

WINEMAKER NOTES: A spice-drive, peppery nose leads to a fruit-driven palate with raspberry, cherry, and pomegranate with medium to full body and a ripe, lush finish.
