

2018 No Curfew Pinot Noir

ABOUT THE WINE: Let's face it, limitations are a drag! So, we looked outside the box for the best unsung vineyards in California to deliver a wine unconstrained by fancy marketing and high price tags. Our Pinot Noir is both bold enough for an evening of daring deeds and smooth enough for an evening of relaxed conversation. A perfect companion for your post-curfew adventures.

2018 VINTAGE: 2018 was truly a winemakers' vintage, and the quality of the resulting wines presents itself in bottle. Generous rainfall in February led to a late budbreak and extended flowering period. Beautiful and mild weather throughout spring and summer made for a healthy crop load. With no major heat spikes or weather events in the fall, winemakers were able to patiently wait to pick at optimal fruit ripeness.

WINEMAKER NOTES: Flavors of black cherry, pomegranate, and ponzu sauce lead into dense chocolate and ripe strawberry on the palate. Rich mouthfeel and a velvety soft finish.
