

NO CURFEW

RED WINE

ABOUT THE WINE: No Curfew is a part of the Amici Cellars and Olema Wines family from Calistoga, California, known for expertly crafted wines of character, quality, and personality. Let's face it, limitations are a drag! So, we looked outside the box for the best unsung vineyards in California to deliver a wine unconstrained by fancy marketing and high price tags.

Our Red Wine is both bold enough for an evening of daring deeds and smooth enough for an evening of relaxed conversation. A perfect companion for your post-curfew adventures.

WINEMAKER NOTES: The No Curfew Red Wine opens with lovely aromas of cooked fruit, spices, and vanilla. On the palate, this medium-bodied wine is round, juicy, and full of dark fruit flavor with a long finish.
