

NO CURFEW

PINOT NOIR

ABOUT THE WINE: No Curfew is a part of the Amici Cellars and Olema Wines family from Calistoga, California, known for expertly crafted wines of character, quality, and personality. Let's face it, limitations are a drag! So, we looked outside the box for the best unsung vineyards in California to deliver a wine unconstrained by fancy marketing and high price tags.

Our Pinot Noir is both bold enough for an evening of daring deeds and smooth enough for an evening of relaxed conversation. A perfect companion for your post-curfew adventures.

WINEMAKER NOTES: The No Curfew Pinot Noir has aromas of strawberry and tart cherry, with a hint of black pepper and toasted oak. This medium-body wine reveals red fruit flavors on the palate, and is matched with mellow acidity and a smooth finish.
